

**American Subcontractors Association of Metro Washington
58th Annual Subby Awards Nomination Form
NOMINATION DEADLINE: November 21, 2021**

The Subby Awards Gala is ASA of Metro Washington's signature event where the best of the best are recognized for achievements that better the construction industry as a whole. This is your chance to nominate companies and individuals who have made a significant contribution in 2021 to uphold ASAMW's commitment to
"Better Construction through Fair Construction."

**Nominations will be accepted from individuals of ASAMW member companies.
Multiple nominations from a single company are encouraged.**

Process: After Nominations are received from each member company, the SUBBY Awards Nominations Committee will select the top nominees for the SUBBY Ballot. One individual from your company will be allowed to vote on the Subby Ballot.

Self-nominations by General Contractors are welcome. If you are a General Contractor and think your company deserves consideration in any category, your self-nomination will be given fair consideration.

General Contractor Superintendent of the Year

Please nominate a *General Contractor's* field superintendent who deserves acclamation for effective planning, coordination of all trades; who is cooperative, is non-confrontational, and involves subcontractors in project decision-making.

Superintendent's name:

Company:

Phone:

E-mail:

Some issues to consider:

- A. This superintendent's ability to effectively coordinate the work.
- B. This superintendent ability to plan in advance and help with sequence of the work.
- C. This superintendent's ability to create a team of subcontractors that stayed on schedule.
- D. This superintendent in comparison to all the other superintendents you have worked with in the past.

Why do you think this super is extraordinary?

General Contractor Project Manager of the Year

Please nominate a *General Contractor's* project manager who, throughout the year, has proven superior in communicating effectively, processing change orders expeditiously, paying in a timely manner, and goes out of their way to help assure subcontractors' success.

Project manager's name:

Company:

Phone:

E-mail:

Some issues to consider:

- A. This project manager's effectiveness in ensuring prompt payment to subcontractors and keeping them informed of payment issues.
- B. This project manager's ability to create a team of subcontractors that stayed on schedule.
- C. This project manager's ability to handle changes to the subcontractor's scope of work.
- D. This project manager in comparison to all the other project manager you have worked with in the past.

Why do you think this project manager is extraordinary?

General Contractor Project Engineer of the Year

Please nominate a *General Contractor's* project engineer who, throughout the year, has proven superior in communicating effectively, processing change orders expeditiously, paying in a timely manner, and goes out of their way to help assure subcontractors' success.

Project engineer's name:

Company:

Phone:

E-mail:

Some issues to consider:

- A. This project engineer's ability to create a team of subcontractors that stayed on schedule.
- B. This project engineer's ability to communicate and handle changes to the subcontractor's scope of work by collecting necessary pricings from all subcontractors.
- C. Proactive in coordination with other trades (coordinated shops, timely info distribution, pursues resolution to scope notes on shop drawings),
- D. Pursuit of timely responses to questions and direction that are impacting or delaying subcontractors' work.
- E. This project engineer in comparison to all the other project engineers you have worked with in the past.

Why do you think this project engineer is extraordinary?

General Contractor Safety Manager of the Year

Please nominate a *General Contractor Safety Manager* who creates a safe jobsite culture through planning, leadership and collaboration with subcontractors. This *General Contractor Safety Manager* takes the effort to assist subcontractors to improve their safety program.

Safety Manager's Name:

Company:

Phone:
